VALDESPINO BRANDY DE JEREZ

Brandy de Jerez Solera 'Sello Azul 36° Alc.

Amber with copper tones in colour, round and harmonious to the nose, with the high quality of the distillates combining with the vanilla essence from the oak. Smooth to the nose, mellow with a good structure and well-balanced aftertaste.

Brandy de Jerez Solera Reserva '1850' 38° Alc.

Matured in our old Soleras in casks of American oak, previously used for maturing our Olorosos. Its aroma is intense and well balanced with clear notes of oak and has a smooth, dry, persistent taste.

Solera Gran Reserva 'Alfonso El Sabio' 40° Alc.

Aged using the system of Soleras and Criaderas for more than 20 years in our casks of American oak, also used for maturing our finest Oloroso Sherries.

Its aroma is intense and full, with notes of oak and dry fruit, similar in characteristics to the Sherry and casks in which it has been aged. It is dry, full and persistent in flavour. A classic Brandy.
